Description:

Do you like to write stories and add your own illustrations? This camp is perfect for you! In this course, students will have the opportunity to use their creativity to write a story of their choice. As a class, we will brainstorm different settings, characters, and problems to spark each child's imagination. Students will learn how to use the proper steps in the writing process, including prewriting, drafting, editing, revising, and publishing to create their own story. Each student will receive a laminated copy of their book complete with an "About the Author" highlight and a special binding. Students will be very excited to share their story with friends and family!
