Description:

Come to learn how to make your own bracelets of threads or yarn. This class is as fun for beginners as it is for intermediates. Students will come to learn, get inspiration, and share ideas with each other. According to tradition, you tie a bracelet onto the wrist of a friend who may wish for something at that moment. The bracelet should be worn until it is totally worn-out and falls off by itself, at which moment the wish is supposed to come true. By the end of the week, students will have made multiple popular bracelets for themselves or a dear friend. Come take part in this great hobby and start tying today!
