Questions: Contact Mrs. Pedersen at (708) 447-8030 X-118 or [spedersen@komarek94.org](mailto:spedersen@komarek94.org)

### Description:

This course will help students become more confident reading an analog clock using the minute and hour hand, telling time, finding elapsed time, and using a calendar. Activities include interactive games, creating personalized calendars, kinesthetic activities outside, art projects, and team games. Last year, participants even used FOOD to help support their new skills. At the end of the week, students will receive their own miniature Judy clock, so they can continue practicing their skills at home!
